

Standards of Care Committee vacancies

The BSACI Standards of Care Committee (SOCC) is responsible for the production of the BSACI clinical guidelines and clinical practice statements and oversees the development of non-guideline documentation. SOCC also acts as the governance arm of the BSACI.

Dr Sue Leech and Dr Isabel Skypala, the current Co-Chairs of SOCC, would like to invite interested BSACI members with relevant clinical expertise to send an 'Expression of Interest' to join this committee. Previous experience of guideline production and governance processes is useful but not essential.

We are recruiting for the following positions:

1. **Adult allergy consultant**
2. **Immunologist**

SOCC meets about 4 times a year, usually virtually. All members are expected to attend the majority of these meetings. The position will be for a term of 3 years. Members who remain active within SOCC will be invited to join the "SOCC Advisory Panel".

If you wish to apply for one of these positions, please email an expression of interest detailing your experience and expertise in relation to your application (maximum 500 words) and a short CV to maria.smith@bsaci.org by **15th November 2024**. Included in your application must be a completed BSACI '[Declarations of Interests](#)' [form](#) in accordance with the BSACI Conflict of Interest Policy.

Isabel Skypala and Susan Leech
